

**The One Stop Event for Material Handling and Processing – POWDER & BULK SOLIDS INDIA 2015 EXHIBITION & CONFERENCE concluded successfully in Mumbai from 18<sup>th</sup> - 20<sup>th</sup> February, 2015.**

Powder & Bulk Solids India 2015, South Asia's most important industry gathering for process engineering and bulk solids handling was held at the Bombay Convention & Exhibition Centre from February 18 – 20, 2015. The exhibition and conference was organized by NuernbergMesse India Pvt. Ltd. in co-operation with Vogel Business Media India Pvt. Ltd.

As in the previous years the exhibition was accompanied by a high quality conference and technical workshops session presented by eminent experts from relevant industry. The 3 day event provided an International platform for knowledge transfer, networking & business. 78 exhibitors from eight countries showcased their latest products and technologies, innovations and new products for material handling and process industry at this one stop event to an audience of 1971 highly qualified trade visitors.

The event was also marked by informative conference sessions and series of top class workshops held by Prof. Avi Levy - Dept. of Mechanical Engineering, Ben Gurion University of the Negav, Israel, Prof. Yutaka Tsuji – Prof. Emeritus at Osaka University, Japan, Dr Mark Jones, Professor, The University of Newcastle, Australia, Mr. Stefan Penno, Rembe GmbH, Germany, Dr. Craig Wheeler, Professor, The University of Newcastle, Australia, and Dr. V K Agarwal, Professor, IIT Delhi & Chairman, Conference Board, Powder & Bulk Solids India 2015.

**Sonia Prashar – MD, NuernbergMesse India Pvt. Ltd.**, said, “Powder & Bulk Solids India continues to play a niche role as India's largest trade shows for Powder and Bulk Material Handling. It provides a perfect platform connecting leading suppliers with the decision-makers in the Indian Powder and Bulk industry. The first day of Powder & Bulk Solids India 2015 witnessed a rousing opening as quality visitors kept streaming in, right from the time the event was inaugurated.”

“Powder & Bulk Solids India 2015 continues to attract the best talent in the industry who are congregating on one common platform. The industry needs to find sustainable solutions to coexist in a mature market and we are happy that the event has addressed those issues to a certain extent.” Stated **Mr. Ashish Khanna, The Tata Power Company Ltd.**

**Milind Pathak, Director- Indian Operations, Portasilo** says, “This is our first participation at Powder & Bulk Solids India 2015. We are proud to say that Powder & Bulk Solids India is the right platform to connect with the relevant audience. The potential of this industry grows with the development of our country therefore; the reason for our participation is not just to sell our product but to acquire knowledge of the market conditions. The visitor turnout has been good as there were quality customers.”

**Prasanna Veeraraghavan, General Manager, Rotolok** said, “The Bulk Solids Industry is huge and an event like Powder & Bulk Solids India helps us reach out to the right audience. We are participating for the first time in Powder & Bulk Solids India and with the kind of response we have garnered; we definitely look forward for the next year.”

### **Global network**

Powder & Bulk Solids India is part of the POWDER & BULK NETWORK, an alliance of leading international trade fairs and conferences for mechanical process engineering. The aim of the network is to encourage information sharing and knowledge transfer at international level. The next Powder & Bulk Solids India will take place from 13 to 15 October 2016 at the Bombay Convention & Exhibition Centre, Mumbai, India.

### **About the NürnbergMesse Group**

NürnbergMesse is one of the 15 largest exhibition companies in the world and among the Top Ten in Europe.
